- <https://www.facebook.com/AMovableFeast/> (menu at the end of packet)

## 2. Can I bring my own food?

No, there is no outside food allowed at this facility. You can bring your own water bottles and players are welcome to bring their own water and/or sport drinks. Absolutely no grills allowed!

## 3. Can I bring a tent?

Yes, you are welcome to bring a tent and stake it in the ground, however, we ask that tents only stay on the two sides of the complex closest to the parking lots. I.e. on the hill sides of the complex, and not near the playing surfaces or in the area between the fields and warm up area.

## 4. Where can I stand to watch the matches?

All of the fields will be roped off to ensure safety for the players and staff on the field. You will be able to stand outside of any of the ropes, and in between Fields 1 and 3 and Fields 2 and 4. The space between Fields 3 and 5 and Fields 4 and 6 are closed to spectators.

## 5. Is my dog allowed at this facility?

## 8. Will there be medical staff on site?

Yes, there will be Athletic Trainers on site for any medical issues that arise and for preventative measures such as ankle tape. We ask that clubs and players bring their own tape if they know they will be needing something taped before their match.
